A large amount of the merchandise alleged to have been taken by the youths, has been recovered.

GREEK SENTENCED TO JAIL BY JUDGE SMITH

Columbia, Nov. 8.—Louis Kanellos, a widely known Greek, of Columbia, who was convicted yesterday in the Federal District Court, of violation of the federal prohibition law was sentenced by Judge H. A. M. Smith this afternoon to serve a three months' jail sentence or to pay a fine of \$1,000. He appealed and was released on bond.

NOTICE

We desire to call attention of the patrons of the Light Plant that, owing to the action of the Town Council in discontinuing the Street Lights, from and after this date the electric current will be on from 8:30 o'clock A. M. until midnight.

We regret that we cannot continue all night service, but it cost us be-

teen Ten and Eleven Dollars per night to operate from midnight until day light, and with the street lights off, practically no current would be consumed during these hours, which would entail a loss of about three hundred dollars a month if we attempted to continue our present schedule under the existing circumstances. For the present we will continue the day service.
